

Knowledge of the Holy - Ch. 6
"The Self-Sufficiency of God"

1. What does it mean that God is self-sufficient? See John 5:26 (note that what is true of the Father is also true of the Son)

2. Does God have any need outside Himself? Explain

3. What are some of the needs of the things God has created? Man, clouds, the Sun, gravity, etc.?

4. Since God is self-sufficient, what are some possible reasons He created the universe?

What does this say about your value?

5. Does God need help to carry out His will? Why or why not?

6. In view of God's self-sufficiency, what should your attitude be about serving Him?

7. In what ways has American Christianity become man centered instead of God centered?

8. In what ways is unbelief perverted faith? What are the possible objects of such faith?

9. In what ways is the Christian dependent upon God?
